SPEAKERS REVIEW by Craig Kalemjian

We had a change in venue from our regular meeting place at the Elk's Club and journeyed to Chester County CARES at 540 East Union Street in West Chester to help celebrate National Hunger Awareness Day. This concept was originated by America's Second Harvest, now in its third year.

This was the first year for this particular convocation, and we were joined by the Red Hat Ladies as well as the staff, supporters, and some of the clients of CARES.

Over 500 people attended the "One Big Table" event.

We were hosted by Patty Sobecki, Food Programs Manager, and Esther Brown, Executive Director.

It is safe to say that this is a very worthwhile program which opened our eyes to the problem of hunger in our county, state and nation. Thankfully, Chester County CARES is raising our awareness as we see that something is being done. And a special note of thanks to Outback Steakhouse for donating the delicious food.

LETTER FROM GOOD WILL FIRE CO.

On behalf of the volunteer members of Good Will Fire Company No. 2, thank you very much for the gifts of \$12,910.00 from the West Chester Rotary Club and \$2,048.23 from the Rotary Club of Greater West Chester Sunrise towards the pledge of \$50,000 over a three-year period.

Please convey our sincere appreciation to the Rotarians in both Clubs for their interest and commitment to this important project. We are delighted that you have chosen the naming opportunity for Site Landscaping and Signage as your Rotary Club Centennial Project, and look forward to working with the members of both clubs.

Thank you again for participating in our building campaign. We are thrilled to have the opportunity to partner with West Chester Rotary Club and the Rotary Club of Great West Chester Sunrise to improve our capacity to save lives and protect property in the greater West Chester area. Generosity of members of the community we serve, such as you, have made it possible to complete our new firehouse and enables our volunteers to protect the community more effectively and efficiently than ever.
