SPEAKERS REVIEW by Fran Luft

Bill Hess had the honor today of inducting two new individuals into our Rotary Club- **Ann Mintz** who is sponsored by **Annalie Lorgus** and **Lonnie Beck** who is sponsored by **Adrienne Masak**. Bill told us that life is full of choices. Joining Rotary is a good choice. By joining Rotary you meet new people, have high ethical standards in your personal and professional life, perform service above self, and have a understanding about world peace. Projects are completed around the world. Rotarians do what is necessary for the future.

Today we had two classification talks. **Jim Stuart** has been a banker for 33 years. He currently works at DNB bank in Downingtown. Jim was born in Meadville PA. Two famous things have happened in this town. The zipper was invented and manufactured and Sharon

Stone was born there around 1950.

Jim is a 1968 high school graduate and graduated from college in 1972. He had part time jobs - one with Iron City Beer. Jim was introduced to the Senior Vice-President of Pittsburgh National Bank and was hired. He became the assistant branch manager for the retail division. Some of his clients included a tennis pro who left town, congressmen John Heinz and General Matthew Ridgeway. Jim moved to Washington D.C and worked for Riggs Bank. He and his wife, Connie married in 1987. They are the proud parents of two children, a son and daughter, and currently live in Chadds Ford.

Larry Richards was born in Levittown, PA. He is the 5th of six children- 3 boys and 3 girls. He is a 1984 high school graduate and graduated from college in 1989 with a degree in finance. Larry worked for his father for 5 years doing masonry work. He secured a financial job in Mt. Laurel, N.J, but it was not the right fit. He then was hired by A. G. Edwards as an assistant manager. In the 1990's he was hired by Legg Mason as a financial planner. He is a certified financial planner and branch manager of the local West Chester office.

Larry and his wife, Nicole have been married since 1991. They have adopted two children 4 year old Cameron Faith and 6 month old Logan Richard.

Thank you both Jim and Larry for two outstanding presentations.
